

# GENIE SCREW DRIVE

**As the original screw drive manufacturer, Genie® has been dedicated to providing the most complete garage door opening systems for more than 30 years.**

- **Maximum lifting force:** direct drive motor system
- **Strength:** the screw drive is machined from one-piece of solid-steel
- **Reliable, quiet operation:** fewer moving parts
- **Automatic 120-watt lighting system:** safer evening exits and entries
- **Easy bulb replacement:** high impact, heat resistant polypropylene lens cover
- **Safety:** Comprehensive six-part Safe-T-Beam® package meets or exceeds all UL, state, federal and CSA regulations, and incorporates an auto reversing system and LED diagnostics.
- **Security:** Genie® Intellicode® technology prevents unauthorized persons from opening your garage door by automatically changing the access code every time you use it.
